The Art of Tailoring

Creating Genuinely Unique Garments

Craft meets Science.

Finest craftsmen from Asia
with more than 30 years of experience.

State-of-the-art manufacturing facility.

Contemporary Couture

Every cut, trim and design
echoes contemporary style.

Innovation in fabric for breathing
and occupational comfort.

A variety of water, heat, skid and
germ resistant fabrics.

Crafted in line with latest fashion
and finish forecasts.

Sequential stitching or bulk cutting
for volume and consistent finish.

A person wearing a grey sweater and a watch is using red-handled scissors to cut a piece of fabric on a table. The table is covered with various items including a pattern book, a color chart, and other fabric samples. The background is slightly blurred, showing more of the workshop environment.

Personalisation Our Passion

We provide 100% customised printing, cutting, finishing and embroidery services.

We can incorporate your brand design in various types and styles of professional uniforms.
