MOVING WORLDWIDE

JUSTBOXIT was established in the year 2015 to provide the best removal and relocation services in UAE. Our clients vary from residential, commercial, local and international as we have a wide variety of services catering to all their respective needs.

Our team of expert packers, movers and logistics will ensure smooth moving and relocation within UAE and internationally. We also offers storage facilities for you in between moving/relocation requirements.

“Whatever your moving needs are, **Justboxit** will cover them all for you.” The whole process of moving, packing & relocation services is executed in a very professional manner by our trained team. Our team coordinates with the customers by offering regular updates and report on relocation until the final destination.

We have built our customer’s trust over the years by offering the best services in the UAE. We are committed to achieving customer satisfaction by offering the best competitive rates while maintaining the high standards in our services.

Member of International Movers Association

Professional movers and packers come in handy while moving from one place to another. Relocating to another destination is hectic and time-consuming. Be it within UAE or to an overseas destination, it requires proper planning and coordination to complete the process smoothly. With Justboxit your move becomes easy and hassle-free.

For move within the United Arab Emirates just contact us by phone, email, or just filling the request form on our website - <https://www.justboxit.ae/contacts/>

Our representative will contact you for the necessary site survey and estimate the price.

Approve the quotation and inform us the date of the move.

Our site crew arrives at your location packs your household items by using quality materials and transports them to the new location. We also offer Painting Services in UAE.

INTERNATIONAL MOVE

For an International relocation, more pre-determined planning is required. Also, the necessary documentation and approvals are mandatory.

Contact us by phone, email, or just filling the request form on our website - <https://www.justboxit.ae/contacts/>

Our representative arrives at your place for a site survey and estimation of volume of the cargo and informs the customer about the Custom Regulations of the country of relocation and necessary documentation.

Details about insurance(optional) is provided.

Receive a quotation from Justboxit. The best possible and cost-effective mode of transportation of the cargo i.e., by Sea, Air or Road either via Groupage or Sole Container shipment is suggested.

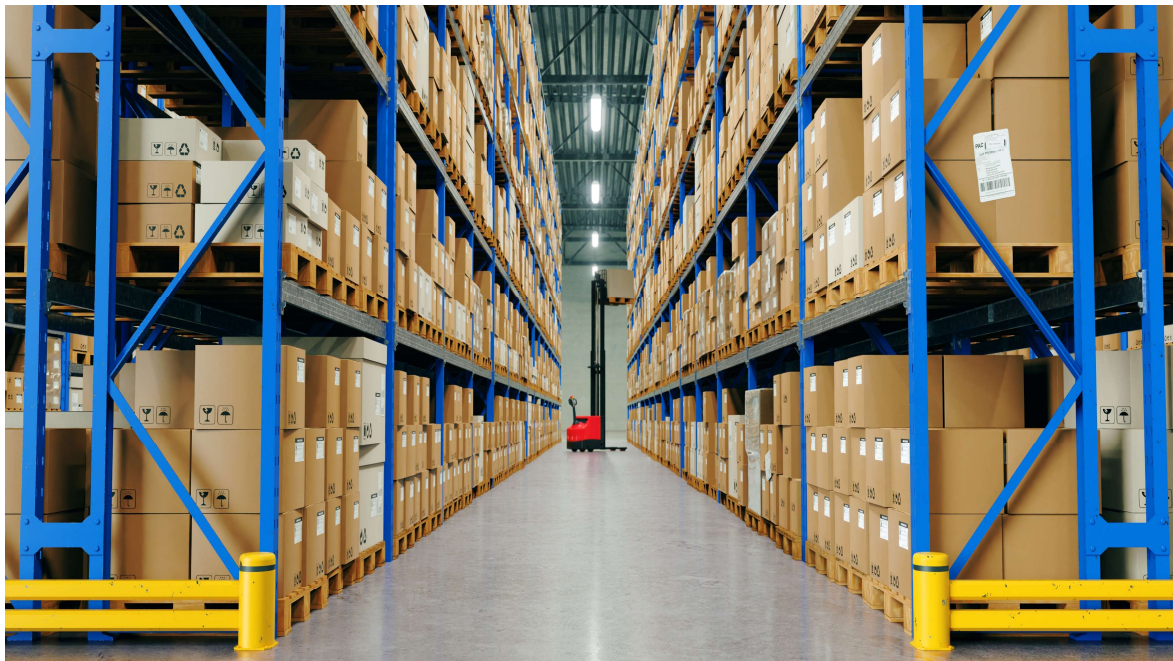

Quote Confirmation and date for the move is decided.
International relocation by air, sea, and road performed as per the international rules and regulations.

Furthermore, we also offer services for pet relocation across the globe in compliance with international laws. Storage facility is available for the customers, if required.

STORAGE

We also provide Storage facility in UAE. During the moving process, storing your goods could be one of the needs which may arise due to unforeseen circumstances. Sometimes it's just not possible to pack your items and keep them in your home up until the day of the move. There's an array of issues that could lead to you needing professional storage. This could be for a short term or long-term requirement.

Storing your personal belongings and other items safely can be your biggest concern. With our own facilities across UAE, we can provide a safe and secure Storage facility on a short term and long-term basis. Storage services can be provided both for normal and temperature-controlled requirements as per the need and requirement. Our Warehouses ensure all aspects of security, hygiene & safety in terms of fire, pest control and safety system.

PET RELOCATION

If you own a pet and are planning to move overseas, pet relocation is a significant part of your entire relocation plan. We understand pets are part of your family. You require a professional pet relocation service provider in Dubai to transport your pet abroad safely. Hiring a professional pet relocation company makes things easy and hassle-free for your entire relocation plan.

We have years of experience in handling the pet relocation service in UAE and hence we can complete the procedure within the timeline and at a reasonable cost.

We are here to work with you and move your pet safely to the destination point. Also, our team will coordinate with you for the necessary documentation and clearance procedures.

Each Country has its guidelines for pet relocation services. There is an option of moving pets through either cargo service or excess baggage. Contact our team for the detailed information and prepare yourself for the relocation.
